

SURGE PROTECTION PROGRAM

Plan Highlights

Q: Who is eligible?

A: Current active co-op members who are solely responsible for their electric line systems and appliances. No pre-inspection is required.

Q: What are the benefits?

A: Repair or replacements of electrical items valued at over \$100 damaged by a surge event, within the annual benefit up to \$2,000 or \$5,000 depending on coverage selected. Coverage starts 30 days after the enrollment is processed. No service fees or deductibles.

Q: What is covered?

A: Repair or replacement like-for-like of electrical appliances and electronic items inside the home, upon certification by a qualified repair technician on the proscribed claim form that damage is due to a surge event. Reimbursement of technician invoices is also covered within the coverage limit if certified that damage was due to a surge event.

Q: What are the exclusions?

- Electric wiring, fuse boxes or other items for which the Electric Line Protection coverage is available
- Items not properly certified that loss was due to a surge event
- Items damaged outside the home such as AC systems, pools dog fences, surveillance equipment
- Restoration of data, software or programming
- Electric vehicles and their connections
- Items of less than \$100 value.
- Incidental or consequential damages beyond the benefits specified
- Bringing up to code, upgrading, or problems that existed at the time the member first enrolled
